## INDEPENDENT AUDITORS' REPORT

To the members of the Organization

### Opinion

We have audited the accompanying financial statements of the **Animal Health Canada** (the Organization), which comprise the statement of financial position as at March 31, 2025, and the statements of operations, changes in net assets and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Organization as at March 31, 2025, and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

### Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Organization in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Organization's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Organization or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for over seeing the Organization's financial reporting process.

### Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Organization's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Organization to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

**ANIMAL HEALTH CANADA**  
**NOTES TO FINANCIAL STATEMENTS**  
**MARCH 31, 2025**

**1. STATUS AND PURPOSE OF THE ORGANIZATION**

Animal Health Canada (the Organization) is a national, federally registered, not-for-profit corporation that brings together the public and private sectors to enable the development of policies and programs that strengthen Canada's farmed animal health and welfare systems. It is jointly funded by its members which include the federal, provincial, and territorial governments, industry organizations, and other partners working in animal health and welfare in Canada.

In 2021 National Farmed Animal Health and Welfare Council (NFAHWC) was renamed Animal Health Canada. The NFAHWC had been established in 2010 to advise governments and the animal-source food industries on all aspects of the health and welfare of farmed animals in Canada in support of Canada's National Farmed Animal Health and Welfare Strategy. In 2017, it became a principal agent in the achievement of Canada's Plant and Animal Health Strategy.

The Organization qualifies as a not-for-profit organization which is exempt from income tax under the *Income Tax Act*.

**2. SIGNIFICANT ACCOUNTING POLICIES**

These financial statements have been prepared in accordance with Canadian accounting standards for not-for-profit organizations, and include the following significant accounting policies:

Use of estimates

The preparation of financial statements in accordance with Canadian accounting standards for not-for-profit organizations requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting periods. Actual results could differ from these estimates. The financial statement item that requires the use of estimates is accruals.

Revenue recognition

The Organization follows the deferral method of accounting for contributions. Restricted contributions are recognized as revenue in the year in which the related expenses are incurred. Unrestricted contributions and membership fees are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Financial instruments

The Organization initially measures its financial assets and liabilities at fair value. The Organization subsequently measures all its financial assets and liabilities at cost or amortized cost.

Financial assets subsequently measured at amortized cost include cash, accounts receivable and undeposited funds. Financial liabilities subsequently measured at amortized cost include accounts payable and accrued liabilities.

*Impairment*

Financial assets measured at cost or amortized cost are tested for impairment when there are indicators of impairment.

**ANIMAL HEALTH CANADA**  
**NOTES TO FINANCIAL STATEMENTS**  
**MARCH 31, 2025**

**2. SIGNIFICANT ACCOUNTING POLICIES (continued)**

Contributed services

Members of the Organization contribute time and services to assist the Organization in carrying out its activities. Contributed services are not recognized in the financial statements because of the difficulty in determining their fair value.

Government assistance

Government assistance received by the Organization is recorded in the statement of operations as revenue. Government assistance in the form of forgivable loans is recorded in the period when conditions around loan forgiveness have been met.

Property and equipment

Property and equipment are recorded at cost. Computer equipment is amortized using the declining balance method over its useful life, at a rate of 30%. When property and equipment no longer contributes to the Organization's ability to provide goods and services, or the value of future economic benefits or service potential associated with the property and equipment is less than its net carrying amount, the net carrying amount of the asset is written down to its fair value or replacement cost.

**3. ECONOMIC DEPENDENCE AND GOVERNMENT SUPPORT**

The Organization is dependent on funding received from government agencies. Overall, revenue from government agencies represented approximately 80% of total revenue for the year ended March 31, 2025 (2024 - 65%).

**4. RESTRICTED CASH**

The Organization maintains two separate restricted funds that are subject to internal restrictions on their use. These amounts are classified as restricted cash and are not available for general operating purposes. As at March 31, 2025, the restricted cash balances are as follows:

|                                           | 2025              | 2024              |
|-------------------------------------------|-------------------|-------------------|
| Animal Health Canada (AHC)                | \$ 210,000        | \$ 210,000        |
| National Farm Animal Care Council (NFACC) | 218,238           | 197,391           |
| Canadian Animal Health Institute (CAHI)   | <u>-</u>          | <u>29,682</u>     |
|                                           | <u>\$ 428,238</u> | <u>\$ 437,073</u> |

The two funds (AHC and NFACC) are governed separately. The funds may not be used for any purpose without the specific approval of the AHC Board of Directors or the NFACC Board of Directors. It is the long-term intent of both boards to grow the reserves to levels that are sufficient to wind down the respective operations or to help bridge any financial gaps. Although the funds are currently not held in separate bank accounts, they are tracked separately in the Organization's records.

During the year, \$29,682 of restricted CAHI funds were approved for use to offset expenses related to the development of an Antimicrobial Use / Antimicrobial Resistance environmental scan.

**ANIMAL HEALTH CANADA**  
**NOTES TO FINANCIAL STATEMENTS**  
**MARCH 31, 2025**

**5. PROPERTY AND EQUIPMENT**

|                    | Cost            | Accumulated<br>Amortization | Net Book Value  |             |
|--------------------|-----------------|-----------------------------|-----------------|-------------|
|                    |                 |                             | 2025            | 2024        |
| Computer equipment | \$ <u>5,873</u> | \$ <u>-</u>                 | \$ <u>5,873</u> | \$ <u>-</u> |

**6. DEFERRED REVENUE**

Deferred revenue represents unspent resources, externally restricted for projects and operating funds received in the current year that are related to the subsequent year's activities. Changes in the deferred revenue balance are as follows:

|                                                      | Animal<br>Health<br>Canada | National<br>Farm Animal<br>Care Council | Projects         | Total              | 2024               |
|------------------------------------------------------|----------------------------|-----------------------------------------|------------------|--------------------|--------------------|
| Balance, beginning of year                           | \$ 29,682                  | \$ -                                    | \$ 199,991       | \$ 229,673         | \$ 97,864          |
| Plus: Amount received related to the subsequent year | 533,901                    | 179,808                                 | 553,843          | 1,267,552          | 1,218,948          |
| Less: Amount recognized as revenue in the year       | <u>(563,583)</u>           | <u>(179,808)</u>                        | <u>(686,423)</u> | <u>(1,429,814)</u> | <u>(1,087,140)</u> |
|                                                      | \$ <u>-</u>                | \$ <u>-</u>                             | \$ <u>67,411</u> | \$ <u>67,411</u>   | \$ <u>229,672</u>  |

The Projects column in the above table includes deferred revenue balances related to multiple initiatives. As at March 31, 2025, the total balance of \$67,411 (2024 - \$199,991) is comprised of the following:

|                                                      | 2025             | 2024              |
|------------------------------------------------------|------------------|-------------------|
| Foot and Mouth Disease - Dairy Farmers of Canada     | \$ 67,411        | \$ 71,477         |
| Pan-Canadian Action Plan on Antimicrobial Resistance | -                | 114,937           |
| NFACC - 1213                                         | -                | 2,747             |
| CAHSS - AAPN - 1199                                  | -                | 10,830            |
|                                                      | <u>\$ 67,411</u> | <u>\$ 199,991</u> |

**ANIMAL HEALTH CANADA**  
**NOTES TO FINANCIAL STATEMENTS**  
**MARCH 31, 2025**

**7. FINANCIAL INSTRUMENTS**

Liquidity risk

Liquidity risk represents the risk that the Organization encounter difficulty in meeting its obligations associated with financial liabilities. The Organization is exposed to liquidity risk with respect to its accounts payable and accrued liabilities. The Organization mitigates this risk by having positive working capital available and maintaining a balance of cash.

**8. COMPARATIVE FIGURES**

Certain figures for the year ended March 31, 2024 have been reclassified to confirm to the current year presentation.
